Pro-Form[®]

Flexible Aluminum Direct Vent Products

With its mission style vent design and its air and water diffusion capabilities, the Pro-Form termination caps can most simply be described in three words: "Performance With Style".

Curb Appeal

Curb appeal is paramount for today's homes, right up to what is on top of the chimney or chase. Now you have a line of termination caps to offer your customer that look as good as they perform. Introducing the Pro-Form® Direct Vent System by Bernard Dalsin Manufacturing.

Engineered to withstand the most adverse weather, the Pro-Form® Direct Vent Cap outperforms so your home remains warm.

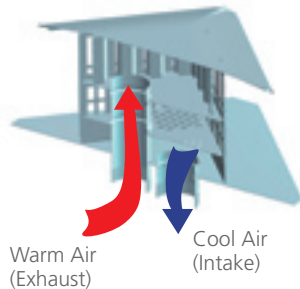

Horizontal Co-Axial
DV Term Kit

Co-Axial Flex Extensions

Designed to perform in the most adverse weather conditions be it wind, rain or snow.

Warm Air
(Exhaust)

Cool Air
(Intake)
